

What to bring when coming on a cruise

1. Soft waterproof bag/holdall to carry your gear. **Please do not bring a hard suitcase** as these are very difficult to stow.
2. Adequate amount of warm clothing. Lots of loose layers are best. Fleeeces are ideal.
3. Footwear should be **FLAT soft soled trainers or shoes** and a pair of *clean* flat soled wellies. Walking and other type heavy boots are for shore use only.
4. Hat gloves and scarf or neck towel are helpful
5. Wash kit including towel
6. Bedding: Duvet & pillow are provided so bring sheet, pillowcase & duvet cover. Bedding can be provided at £8 per set if required.
7. Foul weather gear should include waterproof leggings (salopettes) and a good waterproof jacket. These can be supplied (£8) if needed.
8. Any other personal need like medication. *The skipper must be informed of any medical problems.*

Note:

Any electrical or other high value breakable items like cameras are brought at your own risk

All safety gear is provided for onboard and each person is issued a life-jacket

All meals are provided for but you can bring any special/favourite snacks, drinks or special diets (some diets can be catered if we are informed in good time).
